

1973 Subject and Author Index

This Index, provided for your quick reference to the many articles which have appeared in the Michigan Pharmacist over the past twelve months, lists every major article in the January 1973 through the December 1973 issues. Articles are indexed and cross-indexed by subject

and by author. The editors suggest you preserve your Journals for future reference, referring to this Index as a convenience in locating information published in issues during the past 12 months.

American Pharmaceutical Association

Annual Meetings Approaching; Apr., p.9
